Kimmie Candy Company is pleased to announce the introduction of its newest product, **ALL NATURAL SUNBURSTS®**, color candy-coated, chocolate covered roasted sunflower kernels, made with all natural colors and ingredients.

ALL NATURAL SUNBURSTS® are made with high oleic sunflower kernels, a key source of Vitamin B-6, Vitamin E and iron. Sunflower kernels are also rich in heart-healthy phytosterols, a substance that is found to lower cholesterol.

Additionally, **ALL NATURAL SUNBURSTS®** are a great alternative to peanut-based snacks for those who have nut allergies, as sunflower kernels are not a nut allergy risk.

ALL NATURAL SUNBURSTS® are currently available in bulk.
